

Did You Know ...

ACDELCO SHOCKS

Why ACDelco shocks and struts can help support you and your ride like no other.

- Proven reputation for quality:** ACDelco has over 100 years of automotive experience providing quality shocks and struts for all kinds of vehicles. Today, ACDelco Shocks and Struts are industry leaders in reliability, durability and performance
- Perfect choice for most makes and models:** ACDelco offers a complete line of aftermarket shocks and struts to fit your vehicle and your budget. ACDelco Shocks and Struts fit 95 percent of vehicle makes and models from the 1980s on
- Suspension parts to fit your style and budget:** ACDelco Shocks, Struts, and other suspension parts are available at various price points for most applications, from economical to premium performance. Smart engineering – aftermarket ACDelco Shocks and Struts perform well with existing suspension parts as they are specifically designed to help compensate for the normal wear of these parts
- Excellent warranty:** ACDelco Shocks and Struts feature a competitive limited lifetime warranty for passenger cars and light-duty trucks
